# How to order

Printing inside your card - Use our Standard Greeting options or clearly show your own message in box provided then simply choose a typeface.

Artwork for logos and signatures - Artwork is best supplied via email or disc sent by post. To ensure good quality print, logos/signatures should be formatted as eps or high resolution (300 dpi) TIFF or JPEG formats are also acceptable. For on-line ordering, please upload a highresolution, print ready JPEG file.

Acknowledgment of orders - When an order is received we will check to make sure we have all details and artwork, if there is any issues with information supplied or artwork we will contact you as soon as possible. An email confirmation will be sent accordingly within 1 working day.

Approving your FREE proof - Once your order has been processed we will send a pdf proof via email, or fax if needed. Please check all details carefully before approving. Veldonn Printers Ltd cannot be held responsible for any errors printed that were not noticed at the proofing stage. Please contact us if you have any queries.

Delivery - Your order will be processed and printed within 7 working days. Cards are creased and supplied flat including gummed envelopes.
